

§Appl. No. 10/805,356
Amdt. dated February 28, 2007
Reply to Final Office Action of, December 1, 2006

REMARKS

Claims 1-12, 14-20 and 23 remain in this application for examination.

Applicants express their sincere appreciation for the allowance of claims 21 and 22. Claim 1 has been amended to include the subject matter of claim 22 and claim 20 has been amended to include the subject matter of claim 21 so that allowable claims 21 and 22 have now been placed in independent form. Accordingly, this application is now in condition for allowance.

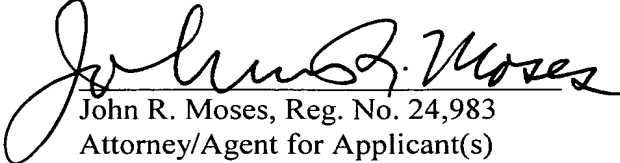

Applicants appreciate the suggested guidelines for title sections in the specification, but prefer not to utilize these guidelines. Since these guidelines are only suggested and not required, Applicants have not utilized section titles other than to separate the "Detailed Description" from the "Brief Description of the Drawings."

In that this is a full and complete response to the Final Office Action of December 1, 2006, this application is in complete condition for allowance and allowance is respectfully requested. If the Examiner feels that a personal conference with Applicants' attorneys might expedite prosecution, the Examiner is respectfully requested to telephone the undersigned.
